

Dear Valued Client,

## **LETTER OF ENGAGEMENT**

We are delighted to confirm our engagement as your insurance broker. We write to confirm how and on what terms we will manage your insurance needs. We subscribe to and are bound by the Insurance Brokers Code of Practice a full copy of which is available from the National Insurance Brokers Association (NIBA) website, [www.niba.com.au](http://www.niba.com.au)

We usually act on your behalf and in your interests in all matters. Sometimes, it may be more appropriate for us to either arrange insurance or manage claims where we act as an agent of the insurer. If and when this situation arises, we will explain and highlight this to you

We will provide you with either personal or general advice.

We are authorised to advise you about and arrange general insurance products. If we are unable to act on your behalf due to a conflict of interest which cannot be managed, we will immediately notify you.

Many commercial or business contracts contain clauses that relate to your liability (including indemnities or hold harmless clauses). These clauses may entitle your insurers to either reduce cover, or in some cases, refuse to indemnify you at all. Please inform us of any clauses of this nature before signing and accepting such contracts. We may recommend that you seek legal advice.

### **Your Disclosure Obligations**

It is important that you provide us with complete and accurate information about the risk to be insured otherwise the advice we give you may not be appropriate for your needs. We rely on you to provide complete and accurate information.

Before you enter into an insurance contract with an insurer, you have a duty under the Insurance Contracts Act 1984 (Cth) to disclose information to the insurer. This Duty of Disclosure applies until the insurer agrees to either insure you or renew your insurance. The Duty of Disclosure also applies before you extend, vary or reinstate your insurance.

If you are applying for or renewing insurance in relation to consumer insurance products such as, your motor vehicle, home building and/or contents, residential strata, travel, personal accident or sickness and/or consumer credit products, you must answer the specific questions asked by the insurer truthfully and accurately. In answering those questions, you must tell the insurer all information that's known to you and that a reasonable person would be expected to provide in answer to the questions. Not doing so may be considered by the insurer to be a breach of your 'duty to take reasonable care not to make a misrepresentation' and may cause issues in relation to the validity of your insurance policy and/or issues in the event of you lodging a claim.

At renewal, the insurer may either ask you to advise any changes to information you have previously disclosed, or may give you a copy of the information you previously disclosed and ask you to advise them if there have been any changes. If you do not tell the insurer about a change, you will be taken to have told the insurer there is no change.

If you are applying for or renewing any other insurance, you must tell the insurer all information that is known to you that a reasonable person could be expected to know or that is relevant to the insurer's decision to insure you and on what terms. You do not need to tell the insurer anything:

- that reduces the risk it insures you for;
- is common knowledge;
- that the insurer knows or should know; or
- which the insurer waived you duty to tell it about.

### **Non-disclosure**

If you fail to comply with your Duty of Disclosure, the insurer may cancel your contract of insurance, or reduce the amount it will pay you if you make a claim, or both. If your failure to comply with the Duty of Disclosure, or you are fraudulent, the insurer may refuse to pay a claim and treat the contract of insurance as if it never existed.

If you are in doubt about whether or not a particular matter should be disclosed, please contact your Account Executive.

You must make sure you explain the Duty of Disclosure to any person you represent when we arrange any insurance cover for you. Alternatively, you may ask any person you represent to contact us, and we will explain their Duty of Disclosure to them directly.

If your circumstances change, our recommendations may no longer be appropriate. Please tell us about any changes in your circumstances so that we can confirm that your insurance continues to be suitable for your needs.

### **Continuity of Cover**

It is important that you maintain continuity of cover. Accordingly, if a contract of insurance falls due and we are unable to contact you, we will automatically arrange for the policy to be held covered (or renewed if necessary). If you do not require the cover, we ask that you tell us as soon as possible. A short-term premium may apply. Please tell us if you do not wish us to provide this service.

### **Cancellation**

We can only cancel a contract of insurance on the written instructions of a person authorised to represent each of the parties who are named as insureds. We cannot cancel any contract of insurance which is subject to the Marine Insurance Act 1909.

### **Period of Engagement**

We look forward to working with you and to a long and mutually satisfactory relationship. We encourage you to call your Account Executive at any time if you have any questions about our services or your insurances.

### **Our Payment Terms**

**Please also refer to our Financial Services Guide provided.**

**Invoices** - We will invoice you for the premium, statutory charges (e.g. stamp duty and fire services levy) and any fees we charge for arranging your insurance. You must pay us within:

- 14 days from the date of the invoice; or in the case of a renewal, before the expiry date of the contract of insurance.

If you do not pay the premium on time, the insurer may cancel the contract of insurance, and you will not be insured. The insurer may also charge a short-term penalty premium for the time on risk.

**Credit Card Fees** - Payments by credit card may attract a surcharge.

**Premium Funding** - Premium funding products enable you to pay your premiums in installments. Premium funders do charge interest, and they take power of attorney over your insurance policy as they have paid it to the insurer in advance, in full, as required at the beginning of the policy period.

We can arrange premium funding on your behalf if you require it. We may receive a commission based on a percentage of the premium from the premium funder for doing so. We will tell you the basis and amount of any such payment before or at the time the premium funding is arranged.

Yours sincerely,

**Bryan West**
